

NASSAU LIONEL OPERATING ENGINEERS

STD O Nathan's Famous 100th Anniversary Steel Sided Reefer

Since it was originally founded in 1916 by Polish immigrant, Nathan Handwerker, Nathan's has gained worldwide recognition for the unequalled quality and taste of its product. Today, Nathan's has the reputation for being among the highest quality hot dogs in the world.

In celebration of their 100th Anniversary, we are pleased to announce the latest offering in our commemorative car program, the *Nathan's Famous 100th Anniversary Steel Sided Reefer*. This car will be a scale **Standard O** reefer brightly decorated in Nathan's green and yellow colors. It will have die-cast metal sprung trucks, operating couplers, opening doors and roof hatches and under frame details. (Graphics may differ slightly from above)

Production quantities have already been fixed and these cars are in production. Anticipated delivery will be **July, 2016**. Orders will be accepted on a *first come, first serve basis*. Cost of the car is \$67.00 each plus shipping. As part of your purchase you will automatically be enrolled as an Associate Member of the NLOE. Please make your check or money order payable in U.S. funds to: **Nassau Lionel Operating Engineers** and mail to:
